

# Keynote & Plenary Speaker's Biography

International Conference on Intelligent Controller and Computing for Smart Power, 2022  
July 21st -23rd, 2022 !! Hyderabad, India

## Biography

**Prof. Ritula Thakur**  
**Associate Professor**

**National Institute of Technical Teachers Training and Research, Chandigarh, India**

Prof. Ritula Thakur received B.E degree in Electrical engineering with Honours, M.E. degree in Power systems with distinction and Ph.D from Panjab University, Chandigarh. Currently, she is working as Associate Professor at National Institute of Technical Teachers Training and Research, Chandigarh, India. Dr. Thakur has also worked as Visiting Scholar in Richard Russel Research Laboratory, Athens, USA

Her research interests are in the areas of AI in Power Systems, Micro Grid and Smart Grid, Embedded systems and Microcontrollers, Electrical Engineering and Information Technology in Agriculture, Quality Analysis and Detection Technology in Food Materials Sensors and Instrumentation, Power Systems, Power Quality, PLC and SCADA,. She has successfully coordinated three ARPIT courses on SWAYAM portal in the field of Smart Grid.
